

Child Safety Commitment

PROVIDENT MARKING PROPRIETARY LIMITED (ABN 26 701 441 625) is committed to the safety and wellbeing of every student who uses Provident.

We:

- ✓ hold as little personal information as possible,
- ✓ communicate with students only by email to the account's address,
- ✓ only use what students upload for the purposes described in our Privacy Notice.

If you have a concern about a child's safety in relation to Provident, our email contact address is enquiries@providentmarking.com.au. While the service is operating, we acknowledge every concern within three business days, and we read and act on every concern at any time of year.

Where the law requires it, or where we believe a child's safety requires it, we may report relevant information to the police, the Australian Centre to Counter Child Exploitation (ACCCE), the eSafety Commissioner or child protection authorities, and we may preserve records for that purpose.

Our Child Safety Lead is the company director, who holds a valid Working With Children Check (WWCC) in New South Wales and in Victoria.

Child Safety Commitment.
